

## CITY DATA SERVICES AND COVID-19

---

City Data Services cares deeply about our community. We understand that our clients and users provide the foundation of our health, safety, housing and basic human services and we are here to help. In accordance with updated guidance from local authorities, City Data Services staff is sheltering in place, however, **our work hours remain the same** and we will be providing the seamless customer service that you have come to rely upon. Please remember, we can accommodate online/over the phone trainings through computer access, so if you have users that need to complete reports or other items, we can assist with trainings over the phone.
